SHOW MANAGEMENT
GENERAL
INFORMATION

Dear APEC Exhibitor,

We are thrilled to extend our warmest welcome to you as an exhibitor at APEC 2026! Your involvement is an integral part of what makes this event so special, and we sincerely appreciate your dedication to making it a resounding success. This year's event will be held March 22-26, 2025 at the Henry B. Gonzalez Convention Center in San Antonio, Texas.

T3 Expo is the official General Services Contractor for APEC 2026. Please familiarize yourself with this Exhibitor Kit, which contains general information about the exposition, rules and regulations, and order forms for exposition-related goods and services. To ensure a seamless and organized experience for both you and our visitors, we kindly request that you pay close attention to the important dates and deadlines listed within the Exhibitor Kit.

These dates include but are not limited to:

- Booth setup and teardown schedules
- Submission deadlines for required documentation
- Ordering additional services and equipment

Following these dates and deadlines is essential for the efficient planning and execution of APEC 2026. It will help us maintain the high standards we aim to achieve and offer you the support you need to have a successful exhibition.

We encourage you to contact our Exhibitor Services team if you have any questions, require assistance, or seek clarification on any aspect of your participation.

Once again, we thank you for your commitment to APEC 2026, and we look forward to seeing you in San Antonio!

Insurance

Exhibitors shall, at their sole cost and expense, procure and maintain the following for APEC 2026.

Insurance:

- Commercial General Liability insurance with limits not less than \$1,000,000 per occurrence, \$2,000,000 in the aggregate including IEEE (Henry Gonzales Convention Center) as additional insured
- Workers' compensation with state statutory limits covering the exhibitor's employees
- The exhibitor is solely responsible for his own exhibition material and products, and should insure exhibit and products from loss or damage from any cause whatsoever

- APEC, Meeting Management Services, and Henry Gonzales Convention Center are to be listed as additional insureds

Exhibitor freight may potentially not be delivered without submitting the proper certificates. Certificates must be shown on-site when requested.

Certificate Holder:

APEC

3644 Wright Ter NE

Washington, DC 20018

*It is the responsibility of the exhibitor to research and procure trade show insurance.

Disclaimer:

It is important to note that insurance decisions are highly individualized and should be made based on your unique circumstances, needs, and preferences. We strongly advise you to conduct your own research, carefully review policy terms and conditions, and seek advice from qualified insurance professionals before making any insurance-related decisions.

We hereby disclaim any responsibility or liability for the decisions you make regarding insurance providers or policies, as well as any consequences resulting from those decisions. Your insurance choices are solely your own, and we are not accountable for the outcomes of such choices.

By using this information, you acknowledge and agree that you are assuming full responsibility for your insurance decisions and that we shall not be held responsible or liable for any actions, losses, or damages that may arise as a result of those decisions.

Please consult with insurance experts, read policy documents thoroughly, and consider your specific needs and circumstances carefully before purchasing any insurance product.

Housing and Travel

Accommodations

- Discounted hotel rooms are available upon registration for the Applied Power and Electronics Conference. Once you have registered, you will receive details on how to secure your room in your confirmation email. The last day to receive the discounted rate for all hotels is February 14, 2026, or when rooms sell out, whichever comes first.
- **Please Note:** In order to make your hotel reservations, you must first be registered for the conference. APEC's contracted reservation links will be sent via your automatic registration confirmation email. If you continually receive error messages while attempting to book, we recommend clearing your browser cookies and trying again prior to seeking additional assistance.

Hotel Scam Alert!

- The locations listed above are the only authorized hotels providing official guest accommodations for APEC 2026. If you receive solicitations from any other vendors identifying themselves as an official APEC housing representative, they are NOT authorized to sell guest rooms for the event.
- Hotel poachers will claim to be an APEC or IEEE "partner" or the "official housing company" and will sometimes ask that your room be paid in full, in advance. Room poachers often do not deliver on promises to attendees. When guests arrive, the reservations are often unavailable, or the hotels are far from the event location. Sometimes, hefty cancellation charges are billed to your credit card. Poachers often represent themselves as being affiliated with the conference by illegally using trademarked logos.
- How to Avoid Hotel Poachers
- APEC is the only authorized resource that provides attendees hotel reservation information for conference hotels.
- Trust your instincts: If the room rate sounds too good to be true, then it probably is.
- If you receive an unsolicited call or email from any company that is not APEC, please obtain the name of the company and contact us immediately at apec@apec-conf.org.

Arrange in-bound freight/Material Handling

If you or any other vendor are shipping materials to your booth, be sure to choose **Advance** or **Direct Shipping**:

Advance Shipping:

- If you ship to the Advance Warehouse, your freight will be guaranteed to be in your booth for the first day of set up.
- Be sure to look at the Late to Warehouse date. Freight being received after the date will incur a surcharge.
- The Advance Warehouse is not able to accept loose unpackaged pieces. Shipping crates, fibers, cartons, hanging signs, carpet, padding and pallets are acceptable. Due to circumstances of timing or facility availability beyond the control of T3 Expo, this may result in an overtime surcharge: please refer to the Material Handling form.

Direct Shipping:

- If you ship direct to show site, note the dates that shipments can be received. Shipments arriving before these dates may be refused.
- PLEASE NOTE: Any freight arriving on a Saturday, Sunday or before 8:00 am and after 4:30 pm Monday – Friday or observed local union holidays will incur an overtime surcharge.
- Check the show timing to gauge which shipping option meets your scheduling parameters and make note of handling surcharges (overtime, off target, late/early to warehouse etc.).
- Fill out the Material Handling form in the Service Kit to estimate your costs and submit it with your payment.
- Label your freight correctly with your company name, booth number, event/show name and address listed in the Service Kit. Shipping label forms are provided in the Service Kit.
- Bring all copies of shipping documents with tracking numbers to show site.

Order rental booth structure and/or option, if applicable

- Please choose the appropriate option and/or configuration of your booth structure.

Order graphics/signage and submit artwork, if applicable

- See the Print Production Artwork Requirements page in this Service Kit for format information and submission details.

Order booth furnishings/accessories, if applicable

- There are forms in this Service Kit with many options to enhance the look of your exhibit. Discount price deadlines are noted on the forms.

Order T3 installation & dismantle labor, and / or submit EAC forms with proof of insurance

- Venues have different union regulations; please review the Labor Guidelines page to determine if hiring labor to set-up / tear down your exhibit properties is needed.
- If using a firm other than the official service contractor, a Notification of Intent to Use EAC form and proof of insurance must be submitted at least (30) days prior to the first day of exhibitor move-in. Without these documents, your EAC will not be allowed to set any exhibits.

Order additional/ancillary services, if applicable

- There may be forms in this Service Kit for other services such as; accessible storage, sign hanging, custom furnishings, electricity, internet, audio visual, lead retrieval, cleaning, floral or catering.
- Some of these services are provided by vendors other than T3 Expo; be sure to submit forms and payments to the proper vendors. Please make note of ordering discount deadlines.

Submit your order with payment (REQUIRED)

- This will ensure all booth options, graphics, furnishings and accessories are reserved for your event. Orders received without payment cannot be processed. We accept Mastercard, Visa, American Express, company check or wire transfer.

Arrange out-bound freight, if applicable

- Before the end of your event, be sure to visit the T3 Service Desk to pick up a Material Handling form.
- No Material Handling form will be distributed unless the account is paid in full.
- There will be a show carrier providing air and/or ground shipping options. If you are using your own carrier, you will need to schedule them on your own for a pickup.
- Please note the carrier check-in time on the Show Information page.
- If your carrier does not check-in by the date/time listed, your freight will be re-routed to ship with the show carrier at your expense.

On-site Checklist

Check all freight when you arrive

- Verify that all your shipments have arrived in your booth space. Please check against your shipping documentation before unpacking any freight.

Booth set-up

- If you are using T3 Expo Installation Labor, you must go to the T3 Service Desk to inform us that you are ready for your labor.
- Installation/Dismantle Labor start time is only guaranteed when ordered for 8:00 am.
- Once your booth is set up, tag your empty containers with Empty Stickers which can be picked up at the T3 Service Desk.

Arrange outbound shipping

- Before the end of the event, visit the T3 Service Desk to pick up your Material Handling form(s). You will need a separate Material Handling form for each outbound shipping destination.
- Material Handling form(s) will not be distributed until account is paid in full.
- There will be show carriers on-site for air and ground service.
- If you are using your own carrier, you must schedule them in advance to pick up your shipment(s).
- Note the Carrier Check-in date / time on the Show Schedule form.
- If your carrier doesn't check in by the date/time listed, your freight will be rerouted onto a show carrier at your expense.

Booth freight packed and ready to ship out

- Once your freight is packed and labeled to ship out, you must turn in your Material Handling form(s) at the T3 Service Desk.
- Do not leave your Material Handling form(s) in your booth space or on your freight.
- If you do not turn your Material Handling form(s) into the T3 Service Desk, your shipment may be delayed and/or rerouted to a show carrier.

Artwork Submission Deadline:**All artwork due by Friday, February 20, 2026**

Print Production Artwork Requirements

PLEASE NOTE:**All artwork must be submitted in CMYK (not RGB/HEX).**

General File Set Up

Please provide artwork in native forms whenever possible:

- **Adobe Illustrator and Adobe InDesign files are preferred**

When creating multiple-panel signs/structure graphics (booth back walls, etc.):

- **Use Adobe Illustrator for layout**
- Create artwork using one artboard for entire graphic. Don't use separate artboards for artwork spanning more than one panel.
- Include **2" bleeds** on all sides
- Convert fonts to outlines
- Embed all linked images

When creating single-panel graphics/smaller signs (meter boards, placards, etc.):

- **Use Adobe Illustrator or InDesign for layout**
- Include **1" bleeds** on all sides
- Convert fonts to outlines
- Embed or package all linked images

Images

Rasterized pixel-based images such as PSD, TIF or JPGs should be high resolution (150-300 dpi) at full size, 1:1 ratio. This includes images linked or embedded in InDesign or Illustrator files.

Based on viewing distance, below are some basic guidelines for resolution when working with formats such as PSD, TIF and JPG files.

48" x 96" Graphics and larger

Recommended resolution for graphic at full size dimensions:

- Viewing distance of 1-4 feet 200 dpi at full size
- Viewing distance of 5-9 feet 150 dpi at full size

Minimum resolution for graphic at full size dimensions:

- Viewing distance of 1-4 feet 150 dpi at full size
- Viewing distance of 5-9 feet 100 dpi at full size

Graphics smaller than 48" x 96"

- Viewing distance of 1-4 feet 100 dpi at full size

Preferred File Formats

- **Adobe Illustrator (AI or EPS):** Outline fonts and embed all links
- **Adobe InDesign:** Package all fonts and links
- **Adobe Photoshop (PSD, TIF or JPG):** For image files

SHIPPING INFORMATION

Material Handling

Choosing Your Carrier

Please carefully consider your carrier prior to booking your shipment(s) to and from the event. Various carriers are set up to operate on a certain schedule or with limited delivery procedures. Please be sure to review your carrier's policies. Some carriers will not deliver to a loading dock, some deliver without verification or signature of delivery. This may result in delays in delivery or additional fees.

POV (Privately Owned Vehicle): If you are delivering your materials to show site in your own vehicle, there may be Material Handling charges applied. Please refer to the Union Regulations in this kit and plan accordingly. T3 has jurisdiction over the loading dock based on these regulations.

Rate Classifications

Crated: Material that is skidded or in any type of shipping container that can be unloaded at the dock with no additional handling required.

Uncrated: Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks. The Advance Warehouse is not able to accept loose/unpackaged pieces; shipping crates, fibers, cartons and pallets are acceptable.

Small Package: A shipment of any number of pieces with a combined weight of 1-50 lbs that is received on the same day, from the same shipper and delivered by the same carrier at the same time.

Additional Fees May be Applicable

Late to Warehouse Fee: Shipments arriving after Wednesday, March 11, 2026 will be charged an additional 30%.

Off Target Fee: If your event has a targeted move in, you must schedule your delivery within your target time. If your freight is received Off Target, there will be an additional fee of 30% of your Material Handling costs for that shipment.

Overtime/Double Time

- Overtime is before 8:00 am and after 4:30 pm, Monday-Friday, and all day Saturday. Double Time is all day Sunday and observed Union holidays.
- Based upon the Material Handling rates quoted, a 30% surcharge per pound for each occurrence will apply if:
 - Shipments are received on overtime.
 - Your advance shipment to the warehouse is received during straight time hours, but due to scheduling beyond T3 Expo's control, is moved into show site on overtime.
 - Shipments are loaded out on overtime.

Outbound Shipping

- A Material Handling form MUST be filled out for any shipment leaving the Expo Hall. These forms can be picked up at the T3 Expo Service Desk. All accounts must be settled prior to requesting this form.
- Once you have filled out the Material Handling form and ALL of your booth materials are packed, labeled, and ready for shipping, please return the completed form to the T3 Expo Service Desk – **DO NOT LEAVE THIS FORM IN YOUR BOOTH SPACE.**

Carrier Check-in: All carriers must be checked in no later than Thursday, March 26, 2026 by 8:00 am. If prior arrangements have not been made, the official show carrier will be on-site to coordinate or re-route shipments.

UPS or FedEx: To use these carriers, you MUST have their shipping labels for each piece and schedule your pick up. Without these, your freight will NOT be picked up by either. If there is a Business Center on the property, it is recommended that you bring your items there.

PLEASE NOTE: There may be an additional fee from the facility for this service.

Advance Shipments to T3 Expo Warehouse

Vehicle Spotting Fee

T3 Expo is responsible for the placement and removal of all motorized units/vehicles entering and exiting the exhibit hall.

All vehicles being used on the exhibit hall floor, either as an actual exhibit or as part of the exhibit space, must be escorted by a T3 Expo spotting crew. There is a round trip fee per vehicle for this service.*

Please Note:

- The battery cables must be disconnected
- The gas cap must either be taped shut or have a lockable gas cap
- The vehicle must contain less than 1/4 tank of gas
- Exhibitor is responsible for checking local Fire Marshal rules and regulations for additional requirements

The Fire Marshal requires that certain safety regulations are adhered to for all vehicles on the exhibit floor. Please see the facility & US Fire Department regulations in this kit; exhibitor is responsible for making sure that all requirements are met.

*Additional fees may apply if vehicle cannot be driven into place and must be assisted or if scheduled spotting time is missed. Oversize vehicles will be charged additional fees.

Cartload Service

To alleviate issues associated with exhibitors carrying small exhibit materials during move-in, T3 Expo is pleased to provide a Cartload Service. This service will be available during move-in and move-out.

Cartload Services are designed for use by privately owned vehicles (POVs). A POV is considered to be any vehicle that is primarily designed to transport passengers, not cargo or freight. Examples include cars, pickup trucks, passenger vans, taxis, limos, etc. Bobtails, box trucks or pickup trucks pulling small trailers are not considered POVs and Material Handling rates will apply. **No cartload can have a combined weight of more than 300 lbs.** Material Handling charges will apply to any loads greater than the limits listed above.

Special Freight Services – Small Passenger Vehicles Only!

Maximum Weight 300 lbs

- Each cartload will handle (8) pieces or less, weighing less than 300 lbs. total. Each exhibitor will be provided (1) laborer with (1) cart. Each exhibitor will be allowed a maximum of (2) trips from their vehicle to their booth for move-in and (2) return trips from their booth to their vehicle for move-out.
- T3 Expo personnel will direct all vehicles. The cart is not authorized to enter or go to any parking structure. There must be two (2) people with your vehicle; one (1) person to go with your product to the booth space and one (1) person to remove your vehicle from the unloading area to the parking area once Cartload Service is complete.
- The vehicles must be unload/loaded by full-time exhibitor personnel, by hand.
- Material handling charges and processes will apply to any loads greater than the limits listed above and/or any vehicles that are deemed by T3 Expo not to be a POV.

Hand-carry Information

- This service is for those who have small hand-carry items, all of which must fit on the cart.

To receive this service, watch for the Cartload Service signage

United States Fire Department Regulations

For Exhibits, Exhibitions, Displays and Trade Shows – Public & Private

Booth Construction

Booths, platforms and space dividers shall be of materials that are flame-retardant or rendered so, satisfactory to the Fire Department representatives. Coverings for counters or tables used within or as a part of the booth shall be flame-retardant. All electrical wiring and apparatus will be of a 3-wire UL approved type.

Fire Department

A permit shall be required for the following:

- 1) Display and operate any heater, barbecue, heat-producing or open flame device, candles, lamps, lanterns, torches, etc.
- 2) Display or operate any electrical, mechanical, or chemical device which may be deemed hazardous by the Fire Department.
- 3) Use or storage of inflammable liquids and dangerous chemicals.
- 4) Display any internal combustion engine (special requirements available upon request).
- 5) Use of compressed gases. (Permit available for 32CF bottles that are half full or less).

Obstructions

Aisles and exits, as designated on approved show plans, shall be kept clean, clear and free of obstacles. Booth construction shall be substantial and fixed in position in specified areas for the duration of the show. Easels, signs, etc., shall not be placed beyond the booth area into aisles. Firefighting equipment shall be provided and maintained in accessible, easily seen locations and may be required to be posted with designating signs.

Fire-Retardant Treatment

All decorations, drapes, signs, banners, acoustical materials, cotton, paper, hay straw, moss, split bamboo, plastic cloth, and similar materials shall be flame-retardant to the satisfaction of the Fire Department. Booth identification banners and signs shall be flame-retardant unless smaller than 1232 square inches (28" x 44") if separated from other combustibles by a minimum of 12" horizontally and 24" vertically. Oilcloth, tarpaper, nylon and certain other plastic materials cannot be made flame-retardant, and their use is prohibited.

Combustibles

Literature on display shall be limited to reasonable quantities (one-day supply). Reserve supplies shall be kept in closed containers and stored in a neat and compact manner in a location approved by the Fire Department. All exhibit and display empty cartons must be stored in an approved drayage area. If show is under a 24-hour approved manned security program, automobiles are allowed to retain one gallon or less of fuel, and gas caps must be taped. Batteries are to be disconnected and taped.

Storage behind booths is strictly prohibited.

San Antonio, TX Labor Guidelines

For Exhibits, Exhibitions, Displays and Trade Shows, Public & Private

To simplify show preparation, we are certain you will appreciate knowing in advance that labor will be required for certain aspects of your exhibit handling. To help you understand the show site work rules, we ask that you read the following:

Exhibit Installation and Dismantling

Full time employees of the exhibiting companies may set their own exhibit. If you prefer for T3 Expo to set your booth, labor can be ordered in advance by returning the Labor form in this Exhibitor Service Kit, or at show site to T3 Expo's Service Desk. Exhibitors must provide proof of insurance.

Material Handling

Exhibitors may hand-carry their own small items, such as laptops, into the exhibit facility in one trip. The use or rental of dollies, flat trucks and other mechanical equipment, however, is not permitted. T3 Expo will control access to the loading docks in order to provide for a safe and orderly move-in/out. No Exhibitors will be permitted to hand carry items via the loading dock. For liability reasons, only full time employees of the exhibiting company will be allowed to hand-carry items. Unloading and reloading at the dock of any and all carriers and vehicles will be handled by T3 Expo.

Safety

Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. T3 Expo cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, labor can be ordered through T3 Expo by returning the Display Labor order form in this Exhibitor Service Kit in advance, or returning it on show site to T3 Expo's Service Desk.

Tipping

T3 Expo requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status and we feel that tipping is not necessary; this applies to all employees. Any request for tipping should be brought to the attention of a T3 Expo representative at the Service Desk.
